## Explanatory Comments:

1. The assessment for general purposes was taken during the year 1962 and returned to the Clerk of the municipality in October of that year and is the assessment upon which the 1963 municipal taxes will be levied. The figures are subject to adjustment because of appeals before the Courts of Revision, etc., and may not agree with the assessment shown in the annual financial statements.
2. The population figure is that gathered by the assessor of the municipality during 1962 and excludes the inmates of public institutions. The population figures of the unorganized areas of the Province are not included in this Directory.
3. The name of each municipality in the main body of the Directory is followed by a number which refers to the constituency in which the municipality is situated. The constituency name and code number appears at the top of the page of each County or District and may be referred to pages xi to xiii where the name and address of the member of the Legislative Assembly for each constituency is listed.
